

## A DASH OF ON-TREND APPEAL.

Elegance. Natural beauty. Drama. Not to mention durability. They're what DuPont™ Zodiaq® quartz surfaces have always brought to your home and your designs. But this year we're focusing on the details, invigorating the palette to give you more trendsetting quartz surface options. And offering fresh new colors that bring spice to traditional and contemporary spaces alike.

## THE SCIENCE AND ART OF QUARTZ SURFACES.

DuPont™ Zodiaq® quartz surface is a luxurious surfacing material made with pure quartz crystals, making it stronger than most natural stone surfaces. Zodiaq® is also incredibly durable and resists both heat and scratches. Custom fitted to your exact specifications and virtually maintenance free, Zodiaq® is perfect anywhere.

This year's fresh new colors are the result of our commitment to exploring and forecasting recent trends with leading architects and designers. So you can create spaces that are aesthetically appealing while providing a lifetime of easy care.

SOPHISTICATION, STYLE AND SPICE AT A TOUCH.

THE DUPONT™ ZODIAQ® QUARTZ SURFACE PALETTE—WHERE SOPHISTICATION MEETS FUNCTIONALITY.

**Stain resistant.** A nonporous surface, Zodiaq® resists stains from wine, food coloring, fruit juices, paints and even nail polish.

**Durable.** Zodiaq® is made with quartz crystals, extremely hard minerals that resist scratches and minimize short- and long-term maintenance.

**Standards compliant.** Most Zodiaq® colors are NSF/ANSI Standard 51 Certified for contact with all food types. They are also Class 1 (Class A) fire rated.

**Clean.** When properly cleaned, Zodiaq® does not support the growth of mold, mildew or bacteria.

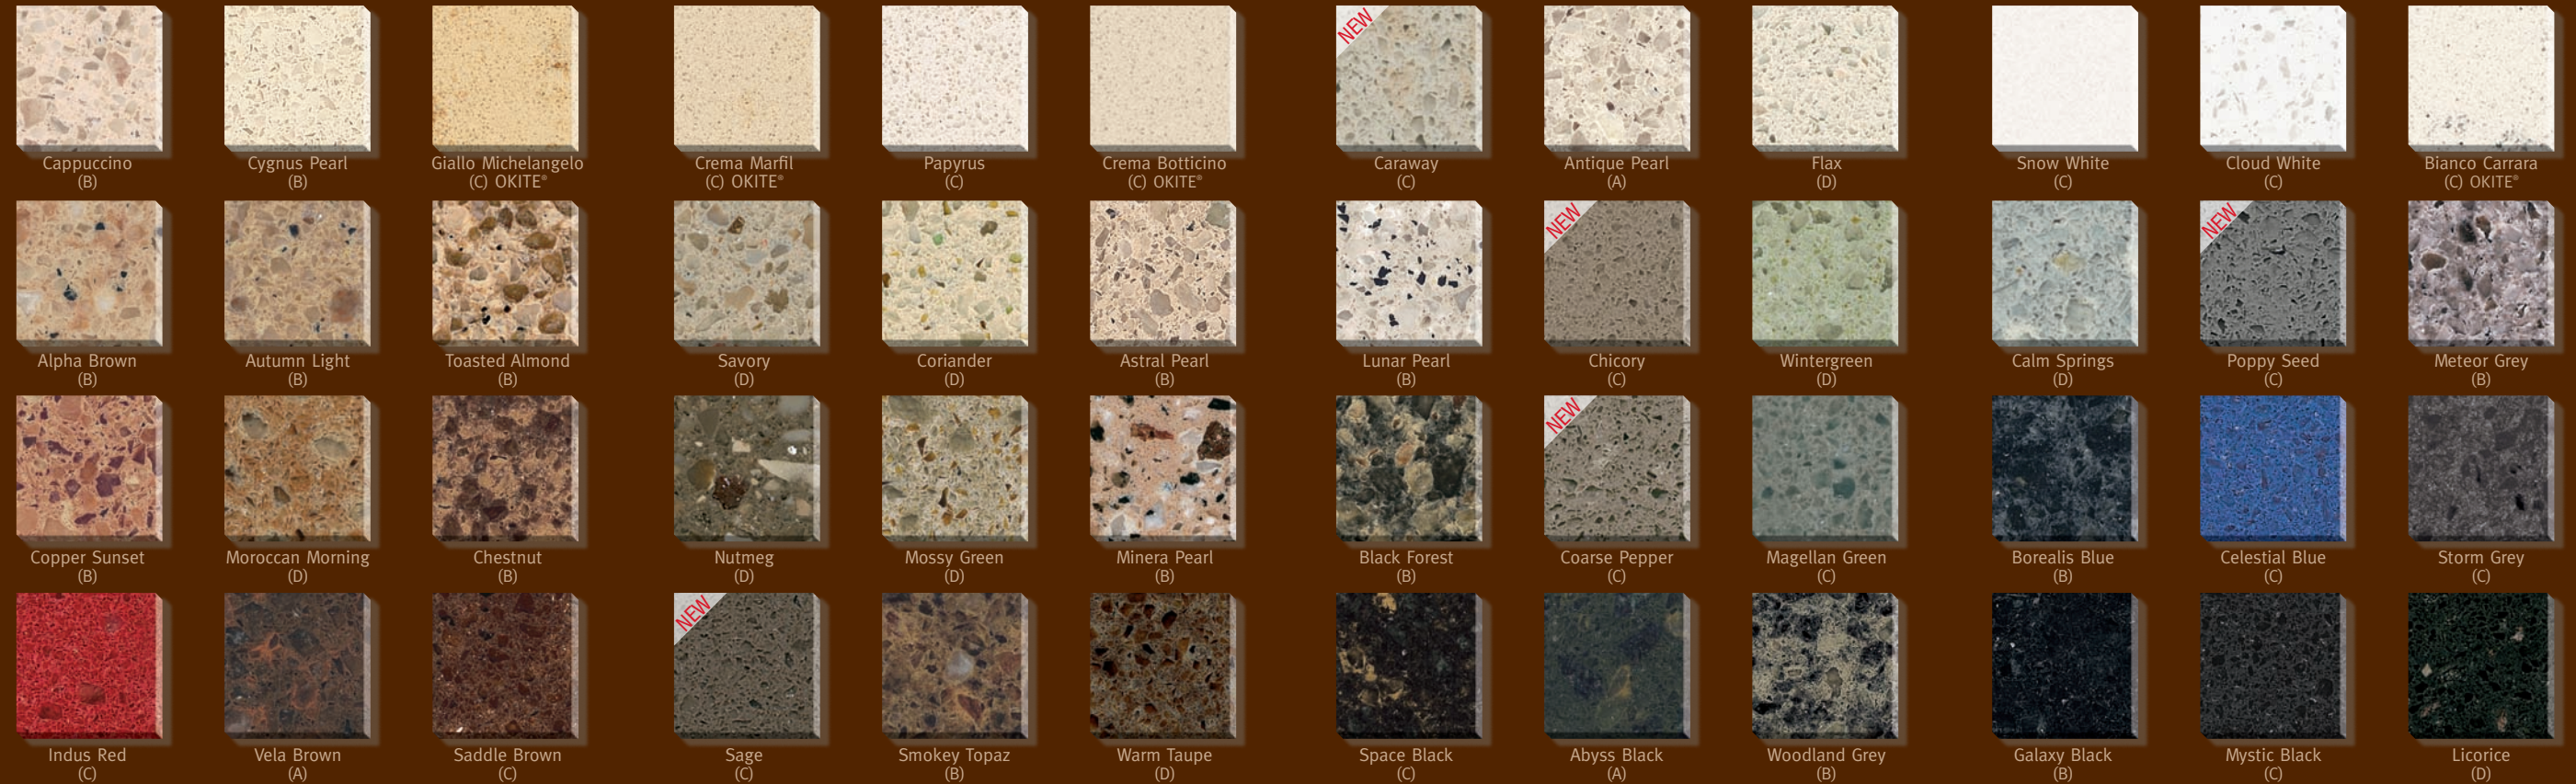

**Trusted and supported.** Zodiaq® is backed by a 10-year limited product warranty.

**Heat resistant.** Zodiaq® quartz surface is heat resistant, but the use of trivets and heat pads is recommended.

**Care free.** Unlike other materials, you never have to seal, polish or recondition the surface to maintain its luster. DuPont™ Zodiaq® quartz surface is easily cleaned with soap and water and does not require sealants or waxes.

**Contributes to sustainable design.** Zodiaq® and its adhesives and sealants meet emissions guidelines for volatile organic compounds, are low-emitting and are nontoxic and nonallergenic for humans. Zodiaq® is GREENGUARD® Indoor Air Quality Certified.
