

RECEPTION DESKS

Vertical Surfaces - Reception Desks

The virtually seamless design possibilities of counters made with Corian® Solid Surface are bold, flexible, and dynamic. The color and texture options are endless. The surfaces stand up to the rigors of heavy use, while remaining stain-free and new. When properly cleaned, a counter built with Corian® Solid Surface will not harbor the growth of mold, mildew or bacteria.

Unlimited Reception Area Possibilities.

With Corian® Design materials, there is no limit on your design possibilities. Choose from an array of color, style, and display options, or create a customized solution for your unique design. Corian® Solid Surface is versatile enough to meet all your design and function needs.

Beauty Meets Durability.

Reception counters built with Corian® Solid Surface will not only leave a lasting impression, they'll also last for years and years. Corian® Solid Surface is nonporous, so it can be easily cleaned, maintained and renewed for the long run.
