ISSUES
◆ Specifying versatile surfacing materials to enhance many different sections of its rustic sporting goods store.

◆ Choosing durable materials that stand up to the daily wear and tear of a busy retail environment devoted to hunting, fishing and outdoor activities.

◆ Creating a natural and welcoming food service setting to balance a strong and masculine retail environment.

CHALLENGES
◆ Securing surfacing materials that can be integrated into multiple locations throughout the store, including a food service area, restrooms and even wall cladding.

◆ Specifying surfaces that meet food service and fire safety code requirements.

◆ Choosing materials that are resistant to spills, stains, chips and scratches caused by constant use.

SOLUTIONS
◆ Crabtree Rohrbaugh Architects specified DuPont Surfaces due to the wide range of aesthetic choices, as well as unsurpassed customer support.

◆ Corian® and Zodiaq® are nonporous and resist chips, cracks, scratches and stains—making cleaning and maintenance simple.

◆ Made of 93% quartz crystals, Zodiaq® in Argo Green, offers the beauty of natural stone without the necessity of polishing or sealing.

BENEFITS
◆ Available with custom edges and backsplashes for added design flexibility, Corian® and Zodiaq® coordinate easily with other popular retail design materials such as wood, glass, chrome and tile.

◆ Corian® and Zodiaq® are NSF/ANSI 51 Certified for food contact and Class 1 (A) fire rated according to ASTM E84 – making them extremely functional for commercial food service applications.

◆ DuPont Surfaces are available in more than 140 colors that are inspired by the latest design and cultural trends.
