

## New Construction/ Builders Program

**You're building more than a home,  
you're building a reputation.**

With Corian® Design, you get a complete solution for both the kitchen and bath backed by DuPont.

### Corian® Solid Surface Sink Solutions:

- Coordinates with Corian® Solid Surface and Corian® Quartz vanity tops for a seamless fit.
- Non-porous surface that, with proper cleaning, resists mold, mildew and bacteria for infection control.
- Stain resistant & easy to clean surface.
- Low maintenance (Suitable for multi-bowl installations)
- Available in whites and off-whites to compliment any aesthetic.

### Sink Color Options

Printed representation of colors may vary from actual samples.  
Please visit [corian.com](http://corian.com) for more information.
