

CORIAN®
ENDURA™

High-Performance
PORCELAIN

DURABLE

TOUGH

LUXURIOUS

EASY TO CLEAN

In the kitchen

Whether you want to cook like a top chef, gather with family or simply turn the chaos of everyday life into comfort, Corian® Endura™ high-performance porcelain is designed to make your favorite space into a worry-free haven.

Extreme strength and beauty combined

Made of 100% natural minerals, Corian® Endura™ is uniquely engineered through compression and then heated at high temperature in a similar way to how nature forges a diamond.

Messes welcome

The perfect material to on which to perfect your sour dough starter, whip up some banana bread while sipping red wine or even conduct a science experiment, Corian® Endura™ is the ultimate kitchen companion.

Slab information

- Corian® Endura Slabs - 63" x 126" (160 x 320cm)
