

# Corian® Solid Surface has extended the WIDESHEET OFFERING

The quality and convenience of Corian® Solid Surface is now available in new larger, time-saving dimensions.

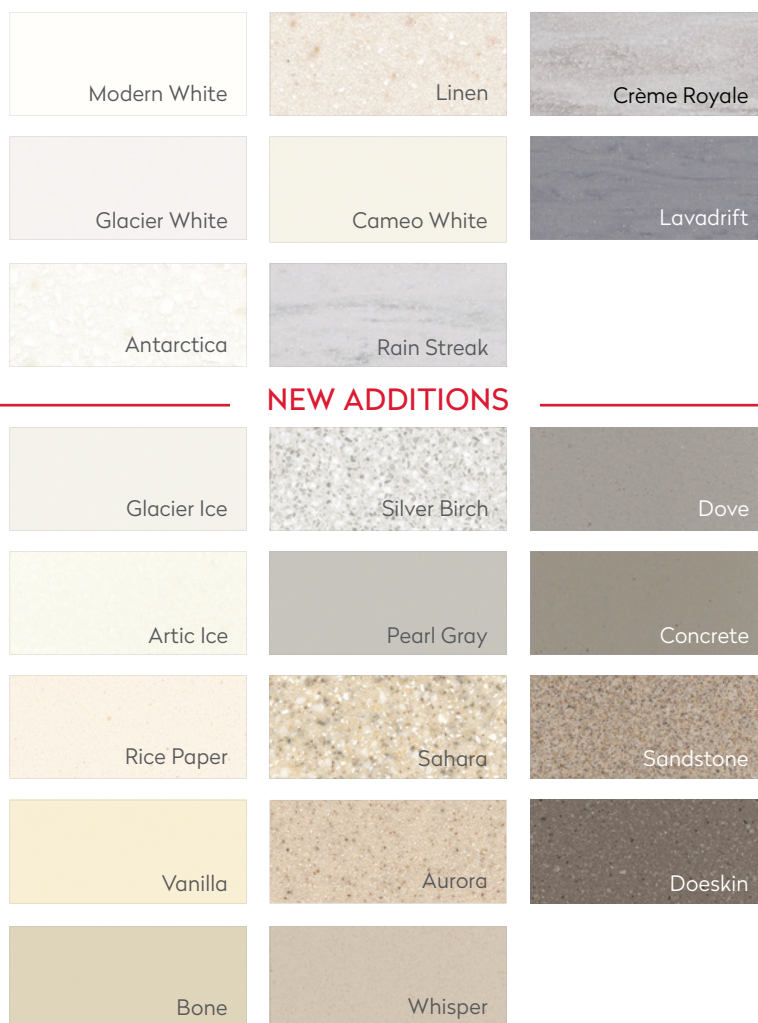

## Advantages of Corian® Solid Surface in Widesheet

- Perfect for large scale commercial applications and businesses including Healthcare, Food Service, Education and Retail.
- Reduced installation time for applications that typically require seaming.
- Less product waste through the elimination of typical cutting and joining processes.

## Class A Fire Rating
