

LAPITEC
NATURALLY ITALIAN

LAPITEC® FOR FIREPLACE SURROUNDS

Lapitec® is resistant to high temperatures, with a natural warm appearance. It is a 100% additive free natural sintered stone, safe for any use. This makes Lapitec® the perfect material, whether a new construction custom-designed fireplace surround or that perfect remodeled fireplace wall. Plus, Lapitec® is an excellent choice for your outdoor kitchen surfaces and firepits.
