Virtual Fabrication Training Level One Course

This course is targeted for new fabricators, and those seeking clarification on DuPont™ required fabrication procedures in regards to the ten year residential Corian® Solid Surface installed warranty.

Virtual Level One Corian® Solid Surface Fabrication Course.

THIS COURSE IS THE FIRST STEP IN BECOMING A CERTIFIED FABRICATOR / INSTALLER OF CORIAN® SOLID SURFACE.

Training Dates:

Virtual Training Session 1:

3 hour session

Tuesday, July 7th
8am PST / 11am EST

Virtual Training Session 2:

3 hour session

Tuesday, August 4th
8am PST / 11am EST

Virtual Training Session 3:

3 hour session

Tuesday, September 8th
8am PST / 11am EST

What you need:

- **Computer**
- **Camera / Webcam**
- **Internet Connection**
- **Microphone**
- **Microsoft Teams**

WHAT YOU WILL LEARN:

- Proper, efficient seaming procedures
- Fabricating countertops with inside corners
- Edge build-ups and profiling methods
- Correct sink and cooktop cutout methods
- Sanding and finishing techniques
- Mounting and finishing Corian® Solid Surface integrated sinks
- Installation, templating and measuring
- Special attention will be given to fabrication techniques for unique aesthetic colors such as Private Collection (directionally veined colors), metallic colors as well as our exclusive Deep® color series
- Coved backsplash fabrication (time permitting)

Through the process of demonstrating the procedures above, you will also have the opportunity to take an interactive part in discussing other critical issues such as:

- Safety (Shop, Transporting, Jobsite, Personnel)
- Material Selection, Inspection, and Yield
- Shop Requirements (size, layout, etc.)
- Tools and Equipment.
- The Corian® Solid Surface Certification Process

This course is designed to be informal and free flowing. Questions, comments, and opinions generally keep the group engaged and entertained.

So, if you are just starting out into a new venture or just needing a refresher on required fabrication procedures, this is the course for you! Your instructor will be a Certified Corian® Solid Surface Instructor – equipped to give you clear, easy to understand, practical information about Corian® Solid Surface Fabrication techniques.
